**What is better than a Tree for Free?**

Ask the thirteen people who responded to last month's newsletter article regarding planting canopy trees in their yard this Spring. Not only will they receive a free canopy tree courtesy of our Public Works department, but they will also receive a \$5.00 dollar gift card to the Community Market. What a deal!

Since the response was so positive last month, we have decided to try again this month. Anyone who requests a canopy tree from Public Works (301) 773-2666 during the month of November will receive a \$5.00 certificate to the Community Market. The certificate will arrive at your door in time for the Holiday Market in December.

**Did He Say Holiday?** By gosh, I think I did. Here is a quick reminder to every Cheverlian that it is time to start getting ready for the Holiday Season. By the time you receive this newsletter, another successful Halloween will have passed and preparations will be underway for the Turkey Trot, the Tree Lighting,

**Veterans Day**  
Monday, Nov 11  
Town Offices Closed  
No Trash Pickup

Santa's Arrival and of course the Holiday Decorating Contest. We all look forward to another wonderful Holiday Season here in Cheverly.

**No More Plastic Bags for Yard Waste:** Beginning on January 1<sup>st</sup> the Town of Cheverly will no longer pick up Monday Yard Waste in plastic bags. Prince George's County issued rules stating that they would no longer accept plastic bags of any type in their Yard Waste Recycling Site. These rules effectively prohibit Cheverly from picking up these bags.

Cheverly learned of these new rules at the same time as everyone else in the county, so we apologize for the limited advanced warning. After January 1<sup>st</sup>, residents will have to place their yard waste in containers that can be emptied into our trash trucks or brown trash bags that can be purchased in many hardware stores.

Town Staff continues to investigate options for purchasing paper bags in bulk and reselling them to residents as we currently do with the clear plastic bags. Unfortunately, at this time we have not found an alternative that would provide any benefit to our residents.

#### **A new Trash Truck?**

Finally! Some of you frequent readers of the newsletter might be saying; “They’ve been talking about this for five years”. Well it’s true, during the September Work Session the Town Council voted to approve the purchase of a new diesel fueled trash truck. The truck is currently being assembled at the factory and should be travelling down our streets sometime in December.

The truck will be paid for over three years, in \$85,000 installments as was planned for in the 2013 budget document. The Town will be selling the old truck and hopes to receive up to \$15,000.

**Walgreens is Coming:** Progress continues at the Walgreen’s on Route 202. The Town Council met with the Community Representative for Walgreens in there September work session and we were favorably impressed with their sense of community. In the meeting they expressed a desire to be open by November 22<sup>nd</sup>. So get ready for their grand opening.

**A Bike Trail for Cheverly?** I suspect most of you already know that in 2015 the Anacostia River Trail will be completed and a bicyclist will be able to travel from the Bladensburg Marina to Nationals Park in approximately 25 minutes at a leisurely pace. What a great way for Nat’s fans to travel from game!

When the connection from Bladensburg to Benning Road is completed this will become one of the largest bike networks in the nation. However, the big question remains: “How do we in Cheverly take advantage of this network?” Accessing the Bladensburg Marina along Route 202 or Tuxedo Road can be an adventure, and might cause the average recreational biker to jump in their car.

The good news is that our Town Council and our State Delegation, led by RJ Eldridge and Jolene Ivey, have been working on this issue for some time. With the assistance of the County Council, funds have been allocated for the design of a trail that would make it easier for Cheverly residents to access the Anacostia River Trail. Current thinking is that a bike trail will be built from the Cheverly Pool to the Cheverly Industrial Park through wooded properties nearby. The Town has been working with property owners to gain their concurrence.

This trail would allow better access to Kenilworth Ave, 52<sup>nd</sup> Avenue and Lloyd Street where the trail will connect to the Bladensburg Marina. While this option still uses some heavily travelled roads, the on road segments will have very wide shoulders.

Public Meetings will be held once the initial designs are completed.

**Little Free Libraries:** Here is a trend that is popping up all over the county and it seems to gel with Cheverly's desire to share books (<http://littlefreelibrary.org>). It's not the coffee shop or meeting location that so many folks long for, but it is a great idea for sharing books. Simply put, communities across America are placing small kiosks (nicely designed) in public areas where residents can "Take a Book / Leave a Book". Some communities have these libraries on Public Property, while others allow them on Private Property in people's front yards.

This idea was presented to me over three months ago by Kassie Rodriguez (also our resident geocacher) and since that time four more residents have asked "can we do this?"

The Town Council discussion will center on whether to have a Public Property program, and whether or not these structures should be allowed in front yards on Private Property. I'm sure the discussion will branch out from there. Please feel free to forward your thoughts.

**Magruder Springs Steps:** Early this year volunteers built a set of stairs from Cheverly Avenue to Magruder Springs in an effort to ease access to Magruder Spring and the Lower Beaverdam Creek Trail.

According to pictures from the 20's there was previously a concrete staircase in the area that led to the spring. However, when Cheverly Avenue was rebuilt and realigned the stairs were covered over. Workers in the area have uncovered a small portion of the original hand railing.

Early this summer Town Staff closed the access to the stairs due to liability concerns and the lack of any permitting of the staircase. Since that time the Town Staff and the FLBC Volunteers have attempted to find a solution to re-open the staircase. An architect in the community volunteered their services to draw up plans for the stairs, so that Town Staff could submit them to acquire the needed permit from the county.

Unfortunately the process took another step backward when the county required not only a site plan (which does not currently exist) but also a Historical Site Work Permit which is required because the area is a county designated Historical Site.

The council will be discussing this issue in the October work session, and we expect to continue to move forward. In the meantime we appreciate the efforts of the volunteers and hope for a resolution to this issue.

### *Mayor FYI Cont'd*

Our Public Works Director and Official Cheverly Weatherperson Juan Torres is calling for a lot of snow this winter. He isn't saying how much, he just keeps shaking his head and saying "a lot". Apparently, the Woolly Bear Caterpillar on his desk has a particularly heavy coat this fall.

The good news is that he and his staff are preparing our vehicles and will be ready for whatever comes.

**Complaints about WSSC or Pepco?** The town continues to experience significant construction as our utility infrastructure is upgraded. If you are having issues with the utility company please call the Public Works department as they are the primary contacts with the utility.

Our Public Works Department has worked hard to get the utilities to adhere to the 7:30am start time here in Cheverly. The utility companies are accustomed to a much earlier start time in other locations, so this has been a slow learning curve. We do allow the companies to deploy their equipment to the work sites prior to 7:30am but not to begin work. Yes, we know they sometimes jump the gun and we continue to communicate to them that 7:30am is the start time.

I do want every resident to know that while we are experiencing inconveniences like rough roads, blocked drive ways, detours and of course noise in the morning hours; we are also receiving tremendous benefits. The obvious benefit is an improved infrastructure. However, we are also getting a financial benefit due to the amount of re-paving that is completed after their work is completed. Over the last 4 years I suspect we have received \$300,000 to \$500,000 in road repaving. This is work that Cheverly would have eventually had to do with tax revenue.

**Message from the Chief** Buddy Robshaw  
([policechief@cheverly-md.gov](mailto:policechief@cheverly-md.gov))

**WEARABLE CAMERAS** – Just a reminder to the Cheverly public, that all Cheverly patrol officers are assigned and wear on their uniforms video cameras that record both sight and sound. These cameras serve many distinct functions, not the least of which, include the capture of crimes in progress, the collection of evidence, and the direct actions of both the officer and those persons who interact with the officer during the course of his/her duty. Officers are required to announce the use of these cameras upon their arrival on the scene of a crime or incident and all recordings on these tamper-proof cameras are collected and preserved.

**SUCCESS AT CHEVERLY'S PUBLIC SAFETY DAY** – A big thank you goes out to the over 400 people who attended this year's Cheverly Public Safety Day. The Department would also like to thank the Prince George's County Police, the U.S. Park Police, the Calvert County Sheriff's Office, the Maryland Park Police, the Greenbelt City Police, the Metro Transit Police, the U.S. Marshal's Service, the Berwyn Heights Volunteer Fire Department, Pepsi, 3 Brothers Restaurants, Mandy the Clown and her balloon twisting partner, and our local Cub Scout partners for their outstanding displays and attendance. As a result of our bake sale and other contributions, \$400.00 was presented to Concerns Of Police Survivors (C.O.P.S.) and \$50.00 was presented to the Cub Scouts.

**CHEVERLY TRAFFIC VIOLATIONS OF THE MONTH** – Violations for two specific infractions seem apparent month after month. First, violators are still driving their motor vehicles while operating a hand held communications device (cell phone). At the same time, vehicle operators are still failing to activate their headlights in weather conditions that require the operation of windshield wipers. Both of these violations call for fines and both are enforced aggressively in Cheverly.

**C-PACT/CHEVERLY WATCH RESIDENT RADIO PROGRAM MEETING** – There will not be a joint meeting of C-PACT (Cheverly – Police And Citizens Together), Cheverly's Neighborhood Watch Organization, and the Cheverly Watch Resident Radio Program on Wednesday, November 14, 2013, at 7:00 pm in the Police Conference Room

**Cheverly Cub Scout Pack 257** Cheverly Cub Scout Pack 257 earned belt-loop recognitions in Flag Football, Kick-Ball, BB Guns, Wildlife Conservation and Map and Compass skills. Scouts also helped develop a new trail head near the Town Park Pavilion to promote hiking and environmental stewardship among Cheverly citizens. On November 1<sup>st</sup> we held our annual Haunted Hike open to all residents. During this first week, Cheverly Boy Scouts and Cub Scouts both sponsored by Cheverly American Legion Post 108, will be dropping off bags at your home for the annual Scouting for Food Drive. Last year Cheverly Boy Scouts and Cub scouts collected more than 100 bags of food for distribution to needy Cheverly families through the Gladys Noon Spellman School and St. Ambrose Church Food Pantry. Please put your donation in the bag, on your front step by 8:00 Saturday morning, November 9th.

Cubs Scouts is for boys 6-11 (grades 1-5) and Boy Scouts is for boys grades 6-12 (ages 12-18). To join Cub Scouts contact Cubmaster Dave at [davidja2@dni.gov](mailto:davidja2@dni.gov) or call 202 744-7100 and to join Boy Scouts contact Scout master Jeffrey Felten-Green at [terrestrial99@me.com](mailto:terrestrial99@me.com) or 301-807-4137

**Boy Scout Troop 257** sponsored by the American Legion has been working on their Kayaking Merit Badge and will complete it with a swimming test at Greenbelt Pool. We will be hiking and camping through the fall and winter, and the younger Scouts are working on their Totin' Chip, which trains them in the use of wood tools such as knives, axes and saws. With this knowledge, we will be working on a new trail head for the Woodsworth (Lower Beaverdam) Trail near the Town Pavilion. The troop meets Wednesdays from 6:30 - 8:00 pm at the American Legion. Come join the fun! Contact Scoutmaster Jeffrey Felten-Green at 301-807-4137.

### Spellman PTA Update

Everyone is welcome to come to PTA Meetings. Our meetings are generally held on the first Tuesday of the month from 6:30-8:00pm in the Multi-purpose Room at Spellman. Come and learn more about what's going on at Spellman, meet other Spellman families, and learn simple ways to get involved.

Here is some information on upcoming meetings:

On Tuesday, November 5th from 6:30-8:00pm, we will have a special, informative presentation on the Affordable Care Act, followed by a brief PTA business meeting. We hope you'll join us!

There will be no PTA meetings in Dec or January, but we will start back up on Tue, February 4th.

Questions? Contact Spellman PTA President Jen Eldridge at [jalleneldridge@yahoo.com](mailto:jalleneldridge@yahoo.com) or 240-271-9737.

## GREEN INFRASTRUCTURE COMMITTEE

November Monthly Meeting, Monday, Nov. 4, 2013  
7:30-9:00 p.m. Large Conference Room, Cheverly  
Community Center

Monthly meeting to report progress on Cheverly green-  
ing efforts and plan next steps and new initiatives. In  
implementing the Cheverly Green Infrastructure Plan,  
your Cheverly Green Infrastructure Committee is work-  
ing on projects in education, planning, and research.

All are welcome to join in the activities of the commit-  
tee! Contact [sheila.salo@gmail.com](mailto:sheila.salo@gmail.com) to request a copy of  
the agenda. For more information on the Cheverly  
Green Plan & greening activities visit  
[www.greencheverly.org](http://www.greencheverly.org).

### GREEN @ HOME

- Recycle those leaves right at home. Mow your  
leaves. Save yourself time and increase your lawn's  
health by leaving the rake or leaf blower in the shed  
and mulching tree leaves with your mower.  
See [http://www.thelawninstitute.org/education/?  
t=3148&st=4992&c=186968](http://www.thelawninstitute.org/education/?t=3148&st=4992&c=186968).
- Compost your leaves. See the composting [guide](#) on  
the Cheverly Green Plan web site. Send your leaves  
to mulch school

The town will have your leaves mulched and make the  
mulch available in the Spring. For information on the  
leaf collection schedule, leaf bagging, and mulch deliv-  
ery, see the town newsletter or the town web site.

Remember, as of January 1, 2014, you may no longer  
use the plastic yard waste bags. Place leaves in large  
brown paper yard waste bags or trash cans. The Chever-  
ly Public Works Department suggests leaving the lid off  
the yard waste can and placing that can separate from  
the regular trash can. That will reduce confusion on col-  
lection day.

**WOMAN'S CLUB** - Gratitude to all those  
who helped with the Flea Market Kitchen fundrais-  
er on October 5. Thank you for donating food and  
for buying from the Kitchen. Because of you, we  
are able to begin the scholarship fund for the 2014  
Peace Camp with \$550.

During this holiday season we ask you to continue  
your interest and help so we can fund Peace Camp  
in Cheverly again. Our community is a better place  
when we teach our children skills of compassion,  
kindness and peace and use those skills ourselves.

The next Woman's Club meeting will be on Tues.  
November 12 at 7 p.m at Fratelli's. We hope you  
will consider joining us. The meeting is open to  
everyone. You can come for dinner, dessert or just  
coffee or tea.

*Monday, November 18, 10am: Monthly Playgroup Storytime.* Join us at Playgroup on November 18th for our very special story time day! One of our favorite New Carrollton children's librarians will read a story, sing songs, and play educational games. And don't forget to join us every Monday, Wednesday, and Friday for playgroup at "cheese" park or at the community center in inclement weather.

*Tuesday, November 19, All Day: CPRC Fundraiser at Franklin's.* Need a break from cooking dinner? Come to Franklin's in Hyattsville on Tuesday, November 19<sup>th</sup>, between 11am and 10pm, enjoy some great food, and help support CPRC! All you have to do is ask the host to add your receipt to the fundraiser, and CPRC will receive 20% of your bill. Please help our organization keep up our wonderful activities and programs by participating in the CPRC Fundraiser at Franklin's!

#### *Thanksgiving Donation Drive for Families in Need*

We are continuing our drive to raise money to provide Spellman families-in-need with Thanksgiving turkeys. Thank you to all who participated and donated at the September costume swap, where we raised \$130 for the effort. We will be collecting donations until Friday, November 15<sup>th</sup> at playgroups, or you can contact Sheri Zielinski at [communitygifts@cheverlyparent.org](mailto:communitygifts@cheverlyparent.org) to donate. A donation of \$15 will provide a meal for an entire family, but any amount would be appreciated!

As always, please keep an eye on our listserv or our website, [cheverlyparent.org](http://cheverlyparent.org), for more information. We wish a very happy Thanksgiving to all our neighbors!

It is November and there are some interesting events for the **Garden Club**. First, don't forget to bag your leaves and beginning in January you must use Paper Bags.

Plant your bulbs and anything else you want to keep over winter, and you will enjoy the first days of Spring. The November Meeting will be November 18 at 7:00 PM 4th floor of the church and we will be doing BOXWOOD TREES. It is best if you have carved your cone before you come and soaked it....BRING your cutting tool. Boxwood will be here but if you want other greens bring them. Hope you picked up Oasis at the October meeting. If not call 301-773-1991 and I'll have it out on the covered porch. Please take one of the Oasis only. November 12 at Franklin's we are the "Charity" of choice and that means if you say District 1, 20% goes to the Garden Clubs for anything you buy; food or gifts and we all love

Franklin's for those neat things. This is ALL Day, please

drop by. Bring a check for the December Meeting. Brunch at Fratelli's, Barbara Pejokovich will take your reservation. May 17, 2014 is a trip of great interest and only opened for the FIRST 50 persons who pay. \$100 and you take a bus trip to Falling-water and have a meal at the historic Stone Manor Inn after going through the home of

Frank Lloyd Wright designed over a waterfall. This is opened to all after November 15 and is going out on the NCAGC, Inc web site. Bus leaves from Cheverly, it could not be easier. Enjoy Thanksgiving and be thankful for our wonderful town and the staff that keeps it running.

## Keep It Local

Buy Local. Shop Small.

**Thank you for an amazing 2013 season!** From May when we joined in Cheverly Day celebrations, all the way through the end of October, we had a spectacular 2013 season. We are grateful to everyone in town for making Cheverly Community Market possible – our great Public Works, Police Department, Town Council, Administration, and Mayor Mike Callahan, as well as the countless yard sign ambassadors, volunteers, musicians, vendors, and customers who believe in the importance of buying local.

**We have two very special events to round out 2013 – our Thanksgiving and Holiday Markets!** We'll share the best in locally produced food, wine, and craft with you this holiday season. Visit us for terrific local food and drink – pre-order heritage turkeys, Chesapeake Bay oysters, and wonderful hams, or pick up fish and meats, Maryland wines, beautiful breads, jams, and, of course, seasonal fruits and vegetables. We'll have gorgeous handmade jewelry, candles, pottery, knit and crocheted items, soaps, and many other wonderful gifts, as well as floral arrangements, fresh flowers, and handmade placemats to beautify your home this season. Order fresh Maryland Christmas trees from the Market – see our website for details, as well as information on buying Market gift certificates for your favorite Cheverly friends and neighbors. Whether you're hosting a grand celebration for the entire family or celebrating away from home, we want to help you make the most of the season.

**Thanksgiving Market November 23**

**Holiday Market December 14**

*(Both Markets are open 8am-noon at the Cheverly Community Center.)*

**Cheverly Community Market needs volunteers to help during our special Markets.** We always need extra hands to help our vendors load in, setup and break down during special markets. This is a terrific way to get more involved in the Market family, and we are deeply appreciative. Drop us a line ([cheverlycommunitymarket@gmail.com](mailto:cheverlycommunitymarket@gmail.com)) if you are interested.

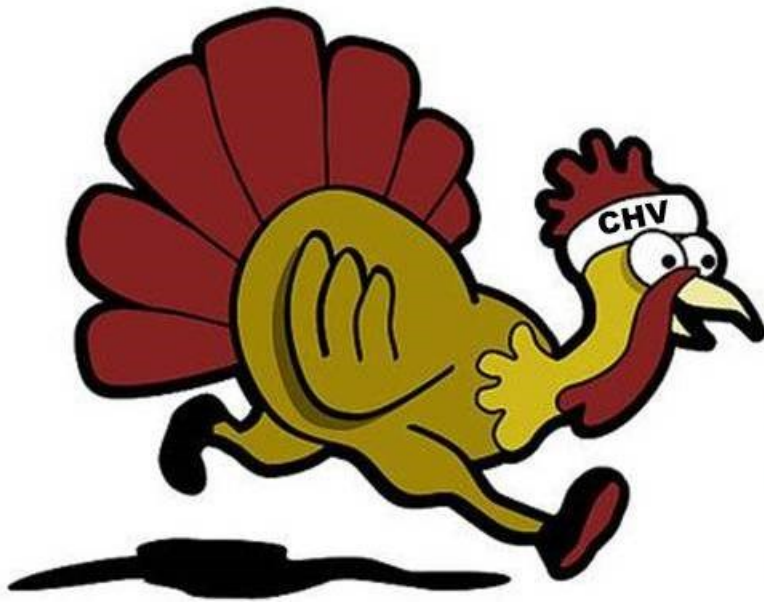

**We'll keep you informed about all things Cheverly Community Market all year long -- news about our vendors, profiles on market personalities, recipes, techniques, food for thought, and more.** From our website and blog to Facebook, Twitter, Pinterest, Instagram, flickr, and Vine, to our email alerts, links are on our website:

[www.cheverlycommunitymarket.com](http://www.cheverlycommunitymarket.com) -- we want to keep you thinking creatively about fresh, local, sustainable food and locally produced craft. If you'd like to get involved behind the scenes at the Market or receive our email alerts, or you're interested in obtaining a yard sign to help publicize the Market, send us an email ([cheverlycommunitymarket@gmail.com](mailto:cheverlycommunitymarket@gmail.com)). We welcome your thoughts, ideas, and suggestions...let us hear from you!

**This holiday season, keep it local: support local farms and small businesses in your community. See you at Cheverly Community Market**

# LEAF COLLECTION PROCEDURES

**Vacuuming Leaves:** Every street in Cheverly is scheduled for at least 2 vacuuming sweeps.

Rake leaves **between** the curb and sidewalk - not on the street or sidewalk.

- Keep leaves free of twigs, branches, metal, concrete and other debris that can jam or damage the equipment.
- Please do not park cars on the street on the assigned collection day
- Be considerate of your neighbors. Only rake to curb when your pick up day is imminent. Raking too early, allows the leaves to blow into your neighbors yard.

**Bag Leaves:** Yard waste is collected on **MONDAYS**. Put bags at the curb on Sunday evening. Use **CLEAR PLASTIC BAGS** only (sold at Town Hall or Public Works \$5 for 50 bags). **Paper Bags only beginning 1/1/14**

Yard waste includes leaves, grass, brush, twigs, etc. Do not put any dirt, rocks, or other trash/debris in these bags. .

If you have any questions, please call Public Works at 301-773-2666.
